

Pathways School Enrollment

2024-2025

We are so excited to have you at Pathways School! We hope this helps you navigate our online enrollment process.

Mark your calendar with these dates for 24-25 registration:

- [February 20 @ 12:01 PM](#)- Currently enrolled families may begin registering
- [March 5 @ 12:01 PM](#)- Open enrollment for public begins

At the appropriate time, you will go to the **Pathways School website and choose ENROLL NOW**. That button will take you to an online enrollment platform where you can create YOUR profile or login to a previously existing profile. [Please create the profile in your name \(with your birthdate, etc\), and then add appropriate child\(ren\).](#)

Once you are in the online enrollment tool...make your selections, complete the brief registration questions, and pay to reserve your spot. If your desired class is full, email Pathways School (pathways@dsmethodist.org) ASAP to get on the wait list.

The final step in the enrollment process is completing the **Pathways School Registration Form**. This can be completed online or as a printed hard copy, and [must be returned by May 1st.](#)
